Calgary Counselling Centre is a registered charitable organization, and the leading research and knowledge-based counselling facility in Canada. Since 1962, the Centre has been committed to providing compassionate, professional and affordable counselling services that help build better lives for Calgarians through positive outcomes. Offering service in over 15 languages, the Centre is also a recognized leader in the treatment of family violence, depression, self esteem and eating disorders. Through its ongoing research and education programs, Calgary Counselling Centre strives to meet the changing needs of our community. The Centre's fee structure is based on income - no one is turned away for an inability to pay.
