

2010 Sponsorship Package

Sponsoring the 4th Annual River Spirit Golf Club Charity Golf Classic benefitting Calgary Counselling Centre, makes a lasting impact in our community and beyond. The tournament on **Monday August 30, 2010** at the prestigious **River Spirit Golf Club** supports Calgary Counselling Centre's Post Graduate student bursaries.

About the tournament:

The River Spirit Golf Club Charity Golf Classic benefitting Calgary Counselling Centre is hosted at the beautiful River Spirit Golf Club. Nestled on the edge of the Rocky Mountains, the Elbow River and Millburn Creek provide a breathtaking backdrop to many of River Spirit's 'signature' holes.

Every year at the tournament participants learn about Calgary Counselling Centre programming. Throughout the event, there are activities and trivia on the course educating golfers about the Centre's approach to helping people with their mental health. This year's educational focus for the on-course activities will feature the Centre's depression program – one of our most requested services.

Your Sponsorship:

Calgary Counselling Centre trains post graduate counselling students to be accredited in their field. Your sponsorship helps to ensure healthier communities and a better future.

Your investment benefits in three ways:

1. Educating Post Graduate students.
2. Increasing the capacity at Calgary Counselling Centre, so the Centre can meet its rising demand for services. Students each contribute over 1,000 hours of counselling.
3. Increasing the overall mental health for our community in the long term. When students complete our program they go on to practice in hundreds of communities throughout North America.

Investing in today's students ensures a next generation of expert practitioners, with the skills to advance the mental health of our community.
